To Whom It May Concern:

I am happy to provide a reference for M. D. McDonald Company, Inc.

I have personally worked with Mel McDonald for more than 15 years on multiple projects, and have found him and his firm to perform at a consistently high caliber. They have an excellent knowledge of construction and airport procedures, and are prompt and responsive in addressing issues and requirements that arise during the course of construction. They consistently meet their schedules and always look out for the best interest of their customer, which has resulted in The Grove, Inc. entrusting them with many challenging and unique projects at airports across the country.

Overall our organization has been extremely pleased with the resources provided by M. D. McDonald Company, Inc., and I would highly recommend their services to other businesses.

Sincerely,
